PREZ SEZ:

In my last message I was lamenting the end of summer; now with this edition of the newsletter, I am wondering where the — Fall went. It is only a few short shopping (ha!) days until Christmas.

Our planned Club rally at the Silverado Car Show was rained out; only one intrepid (who shall remain nameless) member actually attended. We have a second round of competition at Need2Speed scheduled for this Friday. I hope a good number of members can make it. It certainly was a lot of fun last time.

And don't forget our annual Christmas Party scheduled for December 13th—details in this newsletter. This event is always great and the dinner menu delicious. Remember to bring one gift per person if you want to participate in the gift exchange (and gift stealing –the best part!).

I had been looking for a 67 GTO for some time. A friend told me he saw a GTO in a driveway in my home town. After meeting with the owner, he shared that he was the second owner and the first owner had purchased it from a local dealership to drive back and forth to Arizona to visit family. The car was built in Fremont, California. The second owner bought the car in high school and used it until his dad gave him a 1972 Corvette. The car had been sitting around and did not run. He wanted to sell the car so he could buy a new set of tires and wheels for the Corvette. We agreed on a price and after replacing the voltage regulator I was on my way.

Early on I changed the centerlines that were on it to 14 x 7 Rally ones, lowered it 2 inches, had the panel under the rear window replaced and removed the Vinyl top.

I traded a Ford Bronco for the paint job (I should have kept it until I got my car back; it took over a year). The strange thing about the car is that it has a column shift. I have a factory his and hers shifter and the correct steering column all painted and ready to install but I haven't convinced myself to do it yet. The car has map lights instead of the regular dome light and the original interior except for the carpet. The car runs fantastic and has a quiet rumble.

My future plans include adding front disc brakes, rebuilding the front suspension, new exhaust, adding factory electric windows and maybe putting in that shifter.

CHRISTMAS PARTY

SATURDAY, DEC. 13

HOBBEY'S CASINO

SUN VALLEY

6:00 PM

\$20.00/PERSON

The Club is underwriting a portion of the cost this year to make this a very fun, affordable evening for all.

We will have our traditional gift exchange, which is optional for each guest.

There will be a special raffle for a Pontiac wrist watch donated by Curly Horning.

GREAT FOOD!

GREAT GROUP!

SEE YOU ALL THERE!

—Curly Horning has donated a very neat Pontiac wrist watch to the Club, to be raffled off. We will be selling raffle tickets at the November meeting and at the Christmas Party. Winning ticket will be drawn at the Christmas Party.

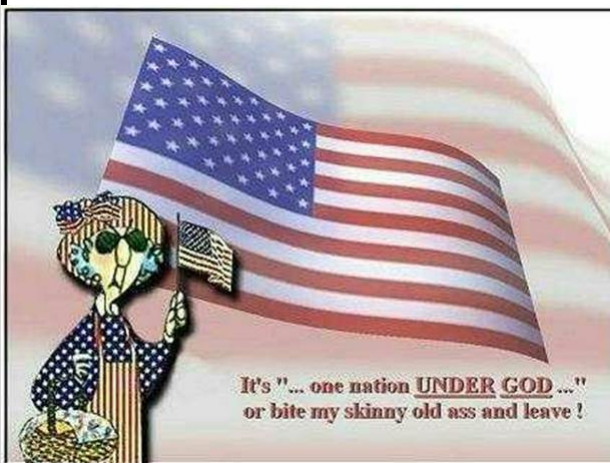

—Each year the Club donates the fine money that has been collected to one or more local charities. We are asking for input from the membership for the charity(s) we should choose this year. Send your suggestions to Jim LeBar, jlebar@sbcglobal.net.

—By popular demand, a second round at Need2Speed has been scheduled for Friday, November 21. Please meet there at 6:00 PM to get everyone signed in. The cost is \$45 per person. This was very well received the first time we had this as a club event. All participants said they had a blast. Be there or be square!

This was a guest speaker at an actual Conference on Aging in California . The speaker is a weatherman, but SHOULD be a stand up comic. Attendees were young and old alike, male and female. He is hysterical. Cut and paste this link into your web browser.

Here we are, already discussing the future President of the United States , beginning with the Year 2016.

For those of you who would like THE VERY BEST choice for President, we have a solution:

It is probably time we have a woman as President.

One choice is a very special lady who has just about every answer to assist in helping us to solve our problems.

PLEASE give this a thought when you have a moment.
